Re: Notification of Structure/Function claim for the Herb product
(Longevity Herbal Promoter)

Dear Dr. Moore:

Thank you for your information sent to me by E-mail. As I mentioned before, an herb product named "**Longevity Herbal Promoter**" will be imported to America by my company. In order to follow FDA regulation of the structure/functional claim, I would like to send this notification with all of the documents required to you for your review. I hope that all documents can meet FDA requirements for this matter.

Please, feel free to contact me if you do have any question.

I do appreciate your time if you could let me know after you receive this package, or if you need more information for the notification of this product.

Thank you for your time.
