NOV 18 2005

As per section 6 of the Dietary Supplement Health and Education Act of 1994, I respectfully submit the following information:

DW Performance Science
2035 Landings Drive
Mountain View, CA 94043

Products and claims to be filed:

Nitrozyte™

Fractionated Nitric Oxide Cycle Amplifier

Scientific research clearly shows that arginine in any form, including Arginine Alpha-Ketoglutarate (AAKG), is physiologically limited in its ability to stimulate nitric oxide production in the body. Arginine or AAKG only provides fuel for nitric oxide production but does nothing to increase peak physiological potential or how long these peak levels last in the body. Nitrozyte™ is the first product on the market specifically tailored to dramatically amplify the effects of arginine and AAKG using this proprietary formulation. Nitrozyte™ amplifies both the peak level and duration of nitric oxide production in the body by SEVERAL-FOLD over the relatively modest levels reached by taking arginine or AAKG alone. The proprietary purified, fractionated composition in Nitrozyte™ will benefit athletes currently taking any arginine or AAKG product, including the Maximum Potency, Pharmaceutical-Grade AAKG included in this MBS4 System.

I hereby certify that the information contained in the above notices is complete and accurate, and that The Daily Wellness Company has substantiation that these statements are truthful and not misleading.

Sincerely,

Aileen Trant, Ph.D.
Vice President, Research & Development

975 0162

LET 17066

Recommended Use: For maximum results, refer to the chart below for daily consumption based on your weight.

Men & Women

Up to 175 lbs.	Take 2 capsules daily 1/2 hour prior to lunch
Over 175 lbs.	Take 3 capsules daily 1/2 hour prior to lunch

Scientific research clearly shows that arginine in any form, including Arginine Alpha-Ketoglutarate (AAKG), is physiologically limited in its ability to stimulate nitric oxide production in the body. Arginine or AAKG only provides fuel for nitric oxide production but does nothing to increase peak physiological potential or how long these peak levels last in the body. Caution: For adults only. For those with any pre-existing medical conditions, please consult a doctor before use. Keep this product out of reach of children. In case of accidental overdose, call a doctor or poison control center immediately. Keep bottle tightly closed in a cool, dry place. Do not use if tamper-evident seal on bottle is missing or broken.

DW PERFORMANCE SCIENCE™

Nitrozyte 2

90 Capsules

FRACTIONATED NITRIC OXIDE CYCLE AMPLIFIER

DIETARY SUPPLEMENT

Supplement Facts

Serving Size: 3 Capsules
Servings Per Container: 30

	Amount per Serving	% Daily Value
Calcium (as Ca carbonate)	250 mg	25%
Magnesium (as Mg oxide)	100 mg	25%
L-Arginine	500 mg	**
L-Citrulline	500 mg	**
Asian ginseng (Panax ginseng) root extract	100 mg	**
American ginseng (Panax quinquefolius) root extract	100 mg	**
Ginkgo biloba leaf extract	50 mg	**

** Daily Value not established.
Other Ingredients: Gelatin, Silica, Mg Stearate (Vegetable Sources), Titanium dioxide (for color).
