Dear Dr. Yetley:

The purpose of this letter is to submit, to the FDA, the structure/function claims which the Perrigo Company is intending to use on their labeling. These structure/function claims are as follows:

- Cranberry: "Helps maintain a healthy urinary tract"
- Echinacea: "Helps stimulate natural resistance"
- Goldenseal: "Used especially during the winter season for its health promoting properties"
- Ginseng: "Stress support - gives active adults a competitive edge"
- Saw Palmetto: "Long standing tradition of use specifically for men's health"
- Valerian: "Popular with people seeking natural support during periods of tension and stress"

If you have any questions feel free to contact me at (616)673-9367.

Warmest Regards,

Jamie Hughes
