Dr. Yetley:

As per Section 6 of the Dietary Supplement Health and Education Act of 1994, we respectfully submit the following claims on our new product Melatonin PM Fast Acting Chewable:

1. "Melatonin, for a normal night's sleep and jet lag recovery." "Some scientists believe melatonin regulates sleep cycles, especially in individuals seeking a normal night's sleep, or those with jet lag or irregular biological rhythms."
2. On the same panel we use the disclaimer, "This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease."
3. This product is manufactured by:
