Dear Dr. Kahl:

Pursuant to Section 6 of the Dietary Supplement Health and Education Act of 1994, Nature's Way Products, Inc. wishes to notify the Food and Drug Administration that it has within the past 30 days, commenced marketing a dietary supplement which bears a statement of nutritional support.

The dietary supplement for which the statement is made is Bee Pollen with Siberian Ginseng. The dietary ingredient that is the subject of the statement is Siberian ginseng. The statement of nutritional support reads as follows:

"Bee Pollen with Siberian Ginseng improves mental and physical vitality. Siberian Ginseng root enhances mental alertness and attention and improves overall vitality and endurance, especially when active and demanding lifestyles create fatigue or reduce work capacity and concentration."

This statement is accompanied by the required disclaimer which is prominently displayed in bold-faced type.

I certify that the information contained in this notice is complete and accurate and that this statement of nutritional support is based on data which renders these statements substantiated, truthful and non-misleading.

Sincerely,

NATURE'S WAY PRODUCTS, INC.
