STRUCTURE / FUNCTION CLAIMS

NUTRIENT: Saw Palmetto Berries

DATE: November 19, 1997

Document Name: sf01spb.wpd

BRAND, CODE # & PRODUCT NAME(S): Schiff 10929 Saw Palmetto 60c

NUTRIENT AMOUNT: 1280 mg Saw Palmetto berry extract (min. 25% free fatty acids)/2 caps

STRUCTURE/FUNCTION CLAIM:

Supports healthy prostate function.

The lipids in Saw Palmetto berry affect prostate health by changing the local environment of specific enzymes that process hormones in the prostate gland. These changes restore normal production of hormones by the prostate gland.
