Dear Sir/Madam,

In accordance with the Food & Drug Cosmetic Act 21 CFR Section 101.93, the statement(s) for dietary supplements listed below have been included as labeling for the following product:

Dr. Art Ulene's Herbal Formulas™ St. John's Wort

Statement(s):
Mood Support

The plant contains several natural chemicals (phytochemicals) that affect the functions of neurotransmitters in the brain.

Recent scientific studies show that the action of these phytochemicals (especially hypericin) may help to enhance a person's mood.

I certify that the information contained in this notice is complete and accurate and we have substantiation that these statements are truthful and not misleading.
