Dear Sir or Madam,

Pursuant to Section 6 of the Dietary Supplement Health and Education Act of 1994, Tyler Encapsulations wishes to notify the Food and Drug Administration that it will within the next 30 days commence to market a dietary supplement which bears statements of nutritional support.

The dietary supplement for which the statements are made is Lactase Concentrate-HP. The dietary ingredient that is the subject of the statements is lactase. The statements of nutritional support are as follows:

1. Dairy digestive enzymes.
2. Active in both acid and alkaline conditions.
3. One capsule of Lactase Concentrate-HP provides sufficient lactase activity to digest the lactose contained in approximately 8 ounces of whole milk.
4. Aids in the digestion of lactose (milk sugar).

I certify that the information contained in this notice is complete and accurate, and that we have substantiation that these statements are truthful and not misleading.

Sincerely,

Jeremy Appleton
Director of Technical and Regulatory Affairs
