RE: Notification of Nutritional **Support** Statements

Dear Sir or Madam:

I hereby notify the Food and Drug Administration (FDA) of the use of statements of nutritional support in the labeling of Colostrum Powder, a dietary supplement. Source Naturals@ is the manufacturer of Colostrum Powder.

Statement being made in the labeling of Colostrum Powder:

- (1) Colostrum is a unique food supplement rich in a variety of biologically active proteins. It is the first "milk" given to a newborn calf by its mother, and contains many bioactive compounds not present in ordinary milk. Colostrum is normally secreted only in the first 48 to 72 hours after birth.

To the best of my knowledge, and based upon information and belief present at the time of the executing of this notice, I certify that the above information is **accurate** and complete. Source Naturals possesses substantiation that the statements are **truthful** and not misleading.
