Washington, DC 20204

Dear Sir/Madam:

This is a notification pursuant to 21 U.S.C. 343(r)(6) that Standard Process Inc., Palmyra, Wisconsin 53156-0904, is making the following statements:

- (1) Vitamin A complex helps maintain healthy epithelium.*
- (2) Vitamin C is vital in supporting the skin.*
- (3) Vitamin P supports the good health of the skin by supporting the small capillaries of the skin.*

These statements are made for a dietary supplement containing a proprietary blend of dried buckwheat juice, buckwheat (seed), carrot (root), calcium lactate, nutritional yeast, bovine adrenal, bovine kidney, alfalfa flour, dried alfalfa juice, magnesium citrate, mushroom, bovine bone, echinacea (root), defatted wheat (germ), oat flour, soy bean lecithin, veal bone, calcium acid phosphate, mixed tocopherols, peanut (bran), and carrot oil. Other ingredients include honey, ascorbic acid, calcium stearate, arabic gum, vitamin A palmitate, and gelatin. And the name of the product is Cataplex® A-C-P.

The information contained herein is accurate and Standard Process Inc. has substantiation that the statements are truthful and not misleading.

Sincerely yours,

Ann Holden
Standard Process Inc.
