Ref.: **Thermojetics® Gold**

Dear Sir and/or Madam:

Pursuant to 21 CFR 101.93, please be advised that Herbalife International of America, Inc. has begun commercializing Thermojetics® Gold in the United States.

Thermojetics® Gold is labeled and promoted with statements provided for in section 403(r)(6) of the Federal Food, Drug, and Cosmetic Act.

- 1. **LABEL**
(Note: On the label, immediately below the following copy, appears a ruled DSHEA disclaimer box.)

Formulated from a select blend of health-enhancing herbs, Thermojetics® Gold is designed to produce a more desirable energy balance in the body so excess body fat may be reduced. Helps curb your appetite, reduce cravings, and provide a natural daytime lift.

- 2. **HERBALIFE FACT SHEET**
(Note: The asterisks appearing in the copy shown below relate to the ruled DSHEA disclaimer box which is located and asterisked on the same page of the product literature.)

Thermojetics® Gold – the “thermo” effect

This breakthrough herbal-based supplement is designed to speed up weight loss by raising your metabolism and lowering your desire to eat. Its combination of scientifically blended ingredients can help reduce hunger pangs, curb your cravings, diminish your obsession with food and provide an exhilarating lift all day long. Thermojetics® Gold is a premium product that offers weight-loss support in a natural way you’ve never experienced before.

Discussion Points

- **Hunger relief:** Minimizes between-meal hunger pangs and provides increased energy at the same time.*
- **End the “yo-yo” syndrome:** Thermojetics® Gold makes it easy to stay on your weight-loss program by providing maximum nutrition while reducing “carbo” urges.*

Fast Facts

- Thermojetics® Gold is a unique blend of themogenic herbs that help burn fat and curb appetite in several ways.*
- Contains Sida Cordifolia, an Ayurvedic herb from India with appetite-suppressing alkaloids known to increase energy and metabolism.*
- Includes two diuretic herbs (Uva Ursi and Cornsilk) to help promote water loss during weight reduction.*
- Contains the flavonoid Quercetin, which is extracted from citrus fruits, to provide a calming effect and help balance the actions of the other herbs.*

3. **HERBALIFE TODAY NEWSLETTER**

(Note: The asterisks appearing in the copy shown below relate to the ruled DSHEA disclaimer box which appears on product literature.)

Thermojetics® Gold

A state-of-the-art advanced herbal formulation that stops hunger pangs, curbs cravings, energizes your system and enhances metabolism so you can achieve greater weight loss.*

Thermojetics® Gold is a great alternative to Thermojetics® Green and Beige. Thermojetics® Gold contains thermogenic and lipolytic herbs (meaning not only calorie consuming, but fat burning.)* If Original Green is too stimulating, Thermojetics® Gold should not. Yet it still provides powerful appetite control.*

4. **MINI PRODUCT BROCHURES**

(Note: The asterisks appearing in the copy shown below relates to the ruled DSHEA disclaimer boxes which are located on the same pages of the product literature.)

Thermojetics® Gold – the “thermo” effect

Complementing the Thermojetics® High-Protein, Low-Carb Program is a breakthrough herbal-based dietary supplement that is designed to speed up weight loss by raising your metabolism and lowering your desire to eat. Its combination of scientifically blended ingredients can help reduce hunger pangs, curb your cravings, diminish your obsession with food and provide an exhilarating lift all day long. Thermojetics® Gold is a premium product that offers weight-loss support in a naturally effective way you’ve never experienced before.*

Thermojetics® Gold
 Dietary Supplement

Turn up the fat-burning flames of your metabolism and energize your system with this breakthrough herbal-based product. Its scientifically advanced formula creates a “thermo effect” in your body that can help speed up weight loss by targeting stored fat, not lean muscle tissue. And it doesn’t stop there. Thermojetics® Gold helps reduce hunger pangs, curbs your cravings, diminishes your obsession with food and provides an exhilarating lift.*

Product labeling and literature prominently bears the required boxed statement, “These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.”

Herbalife International of America, Inc. certifies that the information contained in this notice is complete and accurate, and that the Company has substantiation that the foregoing statements are truthful and not misleading.

Please do not hesitate to advise us if you have any questions.

Sincerely,

John A. Williams
