

Roster of the National Mammography Quality Assurance Advisory Committee

Purpose: Advises on developing appropriate quality standards and regulations for the use of mammography facilities.

[Applying for Membership on FDA Advisory Committees](#)¹

As part of the Food and Drug Administration's (FDA's) ongoing efforts to recruit qualified experts with minimal conflicts of interest who are interested in serving on FDA advisory committees, FDA is requesting nominations for members to serve on its advisory committees.

Current Number of Vacancies: 0

Note, one or more vacancies may be in the nomination process or a final appointment may have been made.
