Grower

This document lists observations made by the FDA representative(s) during the inspection of your facility. They are inspectional observations, and do not represent a final Agency determination regarding your compliance. If you have an objection regarding an observation, or have implemented, or plan to implement, corrective action in response to an observation, you may discuss the objection or action with the FDA representative(s) during the inspection or submit this information to FDA at the address above. If you have any questions, please contact FDA at the phone number and address above.

DURING AN INSPECTION OF YOUR FIRM WE OBSERVED:

OBSERVATION 1

Your written SE prevention plan is not fully implemented and followed.

Specifically, you are not following the environmental sampling methodology outlined in your SE plan. You collected (b) (4) and you SE plan calls for the collection of (b) (4)

OBSERVATION 2

The presence of flies is not monitored by appropriate monitoring methods.

Specifically, your current monitoring methods do not quantify or record fly activity levels in your barns.
